To Whom It May Concern:

It is my pleasure to recommend Victor Contreras as a guest speaker at your school. Mr. Contreras recently presented at our school's Career Day last month.

Mr. Contreras' presentation taught students about Juan Murrietta, who was an early pioneer in California. Mr. Contreras dressed up in period dress and gave a lively presentation- the students loved it!

I have spoken with Mr. Contreras about possibly presenting at future school events, and wish him well in this endeavor.

Respectfully,

Scott Goergens
